Our Catering Menu has been put together to help you with your decisions. We will cater to your needs and accommodate almost any menu request. We feel our accommodations far exceed any in our area, and we strive to make our service and food the best you will find.

September 2014

***Our Banquet Room accommodates up to 150 people and is used for private functions of 35 or more guests.
You will find the Banquet Room preferable for any catered event.***

Duke's Lounge accommodates up to 30 guests and has seasonal availability.

Both rooms are on the second floor with elevator access and have a spectacular view of the Susquehanna River.

We reserve the right to attach an additional \$50 per hour for additional usage after the first three hours.

The Banquet Room and Duke's Lounge are part of The Dukes Bar and Grille Restaurant. All P.L.C.B rules for alcohol consumption apply. It is unlawful to serve anyone who appears to be intoxicated. This is strictly enforced and party planners or group leaders are asked to help in this matter. Designated drivers are encouraged but this does not allow other guests to be over-served.

We observe the following polices:

- ***A \$100 deposit is required within 7 days from the date the reservation is arranged. Reservations are tentative until the \$100 deposit has been received. The deposit may be paid with cash, check, or credit card. Any cancellations must be made more than 30 days prior to the event or the deposit is forfeited. *Note: Any party booked between Thanksgiving and Christmas will require a 50% non-refundable deposit.***
- *You must order off of our Catering Menu when using the banquet room which we can customize to suit your needs. Menu arrangements must be made 7 to 10 days prior to the functions.*
- *An automatic 20% gratuity is added to all catered events.*
- *The minimum number of guests you will be charged for the Banquet Room is 35 (thirty five). Should the number of guests in attendance be higher than the *final headcount* given, you will be billed for the number in attendance. Should the number of guests be lower than the *final headcount* given, you will be charged the *final headcount*. Your *final headcount* may be changed up to 48 hours prior to the reservation.*
- ***All balances are due on the date of the function.***
- *Prices are subject to change and will be confirmed at the time the menu is determined.*
- *Alcoholic beverages are served from the Banquet Bar or Dukes Lounge Bar and are available by the glass. Beer is available by the glass or bottle. All alcoholic beverages are priced per consumption. Happy Hour prices do not apply.*
- *Duke's Lounge **may** be used for events coinciding with events booked for the Banquet Room. For larger parties, 100 or more, Dukes Lounge Bar **and** the Banquet Bar are made available.*
- *Function Rooms are assigned according to the anticipated number of guests. **We reserve the right to reassign rooms according to the size of the party.***
- *In order to ensure and maintain quality control, no food, beverage, or alcohol are permitted to be brought in from any source. If you must bring your own cake, a 50¢ plate charge per person will be added for serving and clean up.*
- ***Buffet items are not for take-out and may not be removed.***
- ***Tables are to be moved by staff members only.***
- *We do not offer table linens for any of the tables in the Banquet Room or Dukes Lounge. All tables are solid oak.*
- *Decorating may be done within two hours of the event. **Please**, no tape on the walls or ceiling and **no confetti!***
- *Any disc jockey (or other entertainment) must be approved by management prior to the function. Once approved, they must provide their own equipment including tables.*
- *Any minors under the age of 21 must have proper supervision.*

The following applies to Duke's Lounge only:

- 20 to 29 guests. A pre-arranged limited menu is strongly suggested.
- \$5 per person is required within 7 days from the date the reservation is arranged. Reservations are tentative until a deposit has been received.
- The deposit may be paid with cash, check, or credit card. Your account will only be billed in the event the final number of guests indicated by your *final headcount* do not attend, in which case your account will be billed the deposit amount of \$5.00 per person for the number of guests who were not in attendance. (Your *final headcount* may be changed up to 24 hours prior to the reservation)
- A room charge of \$50 is attached for private use of the room for three hours. We reserve the right to attach a room charge of \$50 per hour for additional usage. Otherwise, all parties are semi-private unless discussed with management.
- Due to the newly created *Lounge Area*, the arrangement of tables is limited. Please express your preferences when booking and every effort will be made to accommodate.

The Banquet Room and Duke's Lounge are part of The Dukes Bar and Grille Restaurant. All P.L.C.B rules for alcohol consumption apply. It is unlawful to serve anyone who appears to be intoxicated. This is strictly enforced and party planners or group leaders are asked to help in this matter. Designated drivers are encouraged but this does not allow other guests to be over-served.

I have read and fully understand all of the policies set forth in the Duke's Riverside Bar and Grille Catering Menu. I accept the catering contract and agree to pay all balances due on the date of the function unless other arrangements have been agreed upon.
